Chittoor | +91 6304675510 | pjahanavi2811@gmail.com | <http://linkedin.com/in/jahanavi-p-10010627b/>

Objective:

Highly motivated fresher with hands-on experience in developing full-stack applications using .NET, RESTful APIs, SQL and Angular. Seeking a challenging role as a Full Stack Developer to build scalable and user-friendly web applications, leveraging my problem-solving abilities and dedication to clean code.

Education:

B.TECH, CSE - Sreenivasa Institute of Technology and management studies-Chittoor , CGPA-8.4 *May 2025*

Intermediate, MPC - Sri Vivekananda jr College-Chittoor, A.P

CGPA-8.1 *Aug 2021*

SECONDARY SCHOOL - Camford English high school-Chittoor, A.P

CGPA-9.5 *Jun 2019*

Projects:

Blockchain based Question Paper leakage Prevention System, this system leverages decentralized ledger technology to ensure tamper-proof storage and verifiable distribution of examination papers, integrating cryptographic hashing and smart contracts for immutable record-keeping and controlled access. The implementation focused on creating a transparent and secure environment that eliminates single points of failure, thereby safeguarding the confidentiality of sensitive examination materials from creation to distribution.

Employee Onboarding Dashboard, developed an Employee Onboarding Dashboard to streamline the new hire process, offering a centralized, intuitive platform for tracking progress, managing tasks, and handling documentation. This system utilized real-time data visualization to enhance efficiency, reduce manual work, and improve communication among HR, IT, managers, and new employees, ultimately ensuring a smoother and more engaging onboarding experience.

Internships:

Frontend Development | Intern

Mar – May 2025

- Developed responsive web pages using HTML, CSS, JavaScript, and Angular.
- Implemented login, registration, and role-based dashboards.
- Integrated frontend with REST APIs and handled authentication using JWT.
- Built reusable UI components and used GitHub for version control.
- Used Git & GitHub for version control, debugging, and team collaboration.

Skills

- **Languages** – .NET, JAVA Basics
- **Web development** – HTML 5, CSS 3, JavaScript
- **Database** – SQL
- **Frameworks** –Angular
- **Others** – Video Editing, Content Creation

Languages

- English – *Superior*
- Hindi – *Advance mid*
- Telugu – *Superior*
- Tamil - *Intermediate*

Strengths

- Effective Communication
- Leadership
- Handling Pressure
- Creative Thinking
- Team work

Certificates

- **Coursera:** Python Programming
- **Cisco:** Cyber Security
- **IBM:** Big data and Hadoop
- **HubSpot:** Digital Marketing
- **IBM:** Web Development
- **GeeksForGeeks:** Product Management
